Office Add: 8F, Datang Shidai Building, No. 2203 Meilong
Road, Longhua District, Shenzhen, China

Catalogue MPO/MPT Patch Panel

Shenzhen UnitekFiber Solution Limited
Innovation Quality Service Responsibility

High Density 1U MPO/MTP Optical Patch Panel

Features

- High density wiring application condition
- Standard 19"
- High-density, 1U 144 fibers
- Dual sliding rails design, easily installed
- Light weight ABS MPO module box
- Sprayed surface treatment process
- Customizable color and LOGO

Application

- Applied in the computer center and computer room
- Suitable for high density date center
- Suitable for base station cabling construction.
- Applied for high density wiring occasions.

Packing information

Model	Product Size (cm)	Max.Fiber	Master carton box (cm)	Color	Regular accessory
UF-SP144	48.26*45.45*4.4	144	63*53.5*11.5	Black(RAL9005) Beige(RAL1001)	15 pieces 5*150 cable ties 12 pieces hook and loop tapes 6*100 electric winding pipes

High Density 2U MPO/MTP Optical Patch Panel

Features

- High density wiring application condition
- Standard 19"
- High-density, 1U 144 fibers
- Dual sliding rails design, easily installed
- Light weight ABS MPO module box
- Sprayed surface treatment process
- Customizable color and LOGO

Application

- Applied in the computer center and computer room
- Suitable for high density date center
- Suitable for base station cabling construction.
- Applied for high density wiring occasions.

Packing information

Model	Product Size(cm)	Max.Fiber	Color	Regular accessory
UF-SP288	48.26*45.5*8.81	288	Black(RAL9005) Beige(RAL1001)	12pcs 3.6*150 Cable Ties 12pcs 10*100mm Magic Stick Strip 12pcs 4*100mm Winding Tube

High Density 4U MPO/MTP Optical Patch Panel

Features

- High density wiring application condition
- Standard 19"
- High-density, 4U 144 fibers
- Dual sliding rails design, easily installed
- Light weight ABS MPO module box
- Sprayed surface treatment process
- Customizable color and LOGO

Application

- Applied in the computer center and computer room
- Suitable for high density data center
- Suitable for base station cabling construction.
- Applied for high density wiring occasions.

Packing information

Model	Product Size(cm)	Max.Fiber	Color	Regular accessory
UF-SP576	48.26*45.5*17.7	576	Black(RAL9005) Beige(RAL1001)	24pcs 3.6*150 Cable Ties 24pcs 10*100mm Magic Stick Strip 24pcs 4*100mm Winding Tube

Flexible Fiber Optical Panel Rack with MPO LC SC ST FC Connetions

Features

- Rack mounting 19" standard size, light weight
- Suitable for ribbon and single fiber
- Various panel plate to fit different adapter interface
- 24C, 36C, 48C, 96C optional, with or without fiber
- optc pigtails and adapters
- Easy for management and operaton
- Sprayed surface treatment process
- Customizble color and LOGO

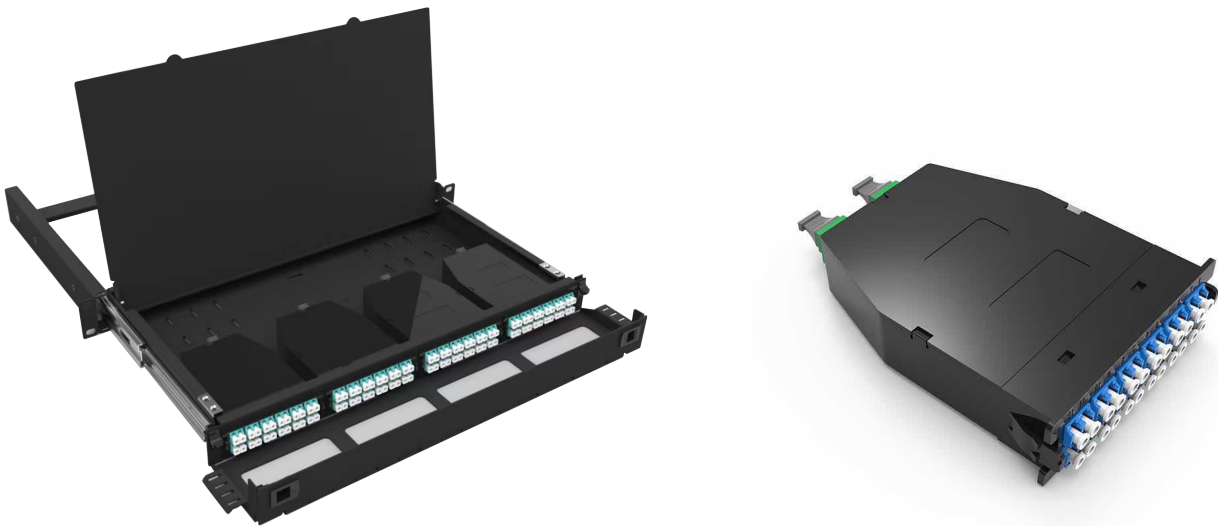

Applications

- Telecommunications subscriber loop
- Fiber to the home (FTTH)
- LAN/WAN
- CATV

Packing information

Model	Product Size(cm)	Max.Fiber	Color
UF-FX96	44*24.5*4.4	96	Black(RAL9005)

Sliding 96cores 1U MPO/MTP Optical Patch Panel

Features:

- High density wiring application condition
- Standard 19"
- High-density, 1U 96 fibers
- ABS sliding drawer, easily installed
- Can be loaded ABS MPO module box or LC/SC/FC/ST adapters
- Sprayed surface treatment process
- Customizable color and LOGO

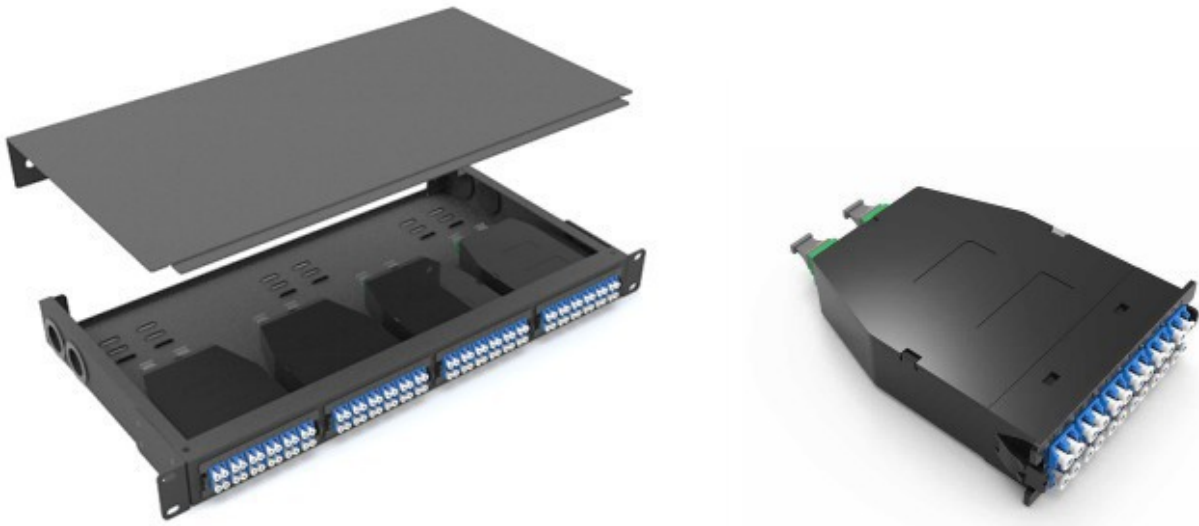

Application

- Applied in the computer center and computer room
- Suitable for high density date center and base station cabling construction.
- Telecommunications subscriber loop
- Fiber to the home (FTTH)
- LAN/WAN
- CATV

Packing information

Model	Product Size (cm)	Max.Fi ber	Inner CTN (cm)	Outer CTN(cm)	Color
UN-SF4H1	48.26*36.77*4.4	96	54.5*43.5*5.0	56.0*45.0*27.5	Black(RAL9005)

Fixed 96cores 1U MPO/MTP Optical Patch Panel

Features

- High density wiring application condition
- Standard 19"
- High-density, 1U 96 fibers
- Fixed type design, easily installed
- Lightweight ABS MPO module box
- Sprayed surface treatment process
- Customizable color and LOGO

Application

- Applied in the computer center and computer room
- Suitable for high density date center
- Suitable for base station cabling construction.
- Applied for high density wiring occasions.

Packing information

Model	Product Size (cm)	Max.Fi ber	Inner CTN (cm)	Outer CTN(cm)	Color
UF-FM96	48.26*25.6*4.4	96	51*45.5*5	52*47*28	Black(RAL9005) Beige(RAL1001)

High Density 2U MPO/MTP Optical Patch Panel

Features

- High density wiring application condition
Standard 19"
- High-density, 2U 192 fibers
- Dual sliding rails design, easily installed
- Light weight ABS MPO module box
- Sprayed surface treatment process
- Customizable color and LOGO

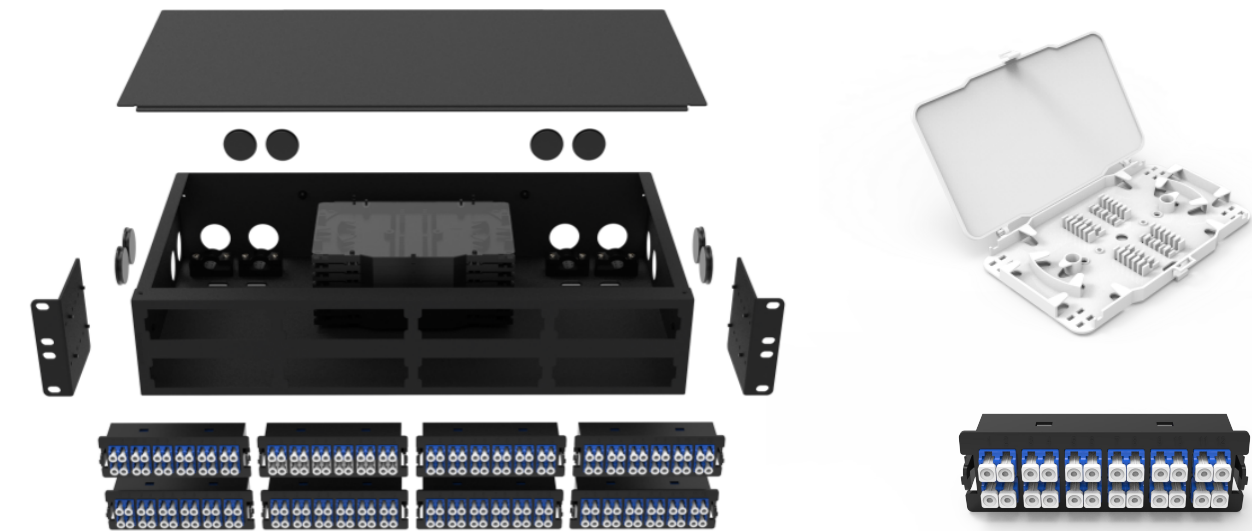

Application

- Applied in the computer center and computer room
- Suitable for high density data center
- Suitable for base station cabling construction.
- Applied for high density wiring occasions.

Packing information

Mode	Product Size(cm)	Max.Fiber	Inner CTN(cm)	Outer CTN(cm)	Color
UN-FM8M2	48.26*21.8*8.81	192	49.0*37.0*9.5	51.0*30.5*39.0	Black (RAL9005)

High Density 2U LC Optical Patch Panel

Features

- High density wiring application condition
Standard 19"
- High-density, 2U 192 fibers
- Dual sliding rails design, easily installed
- Light weight ABS MPO module box
- Sprayed surface treatment process
- Customizable color and LOGO

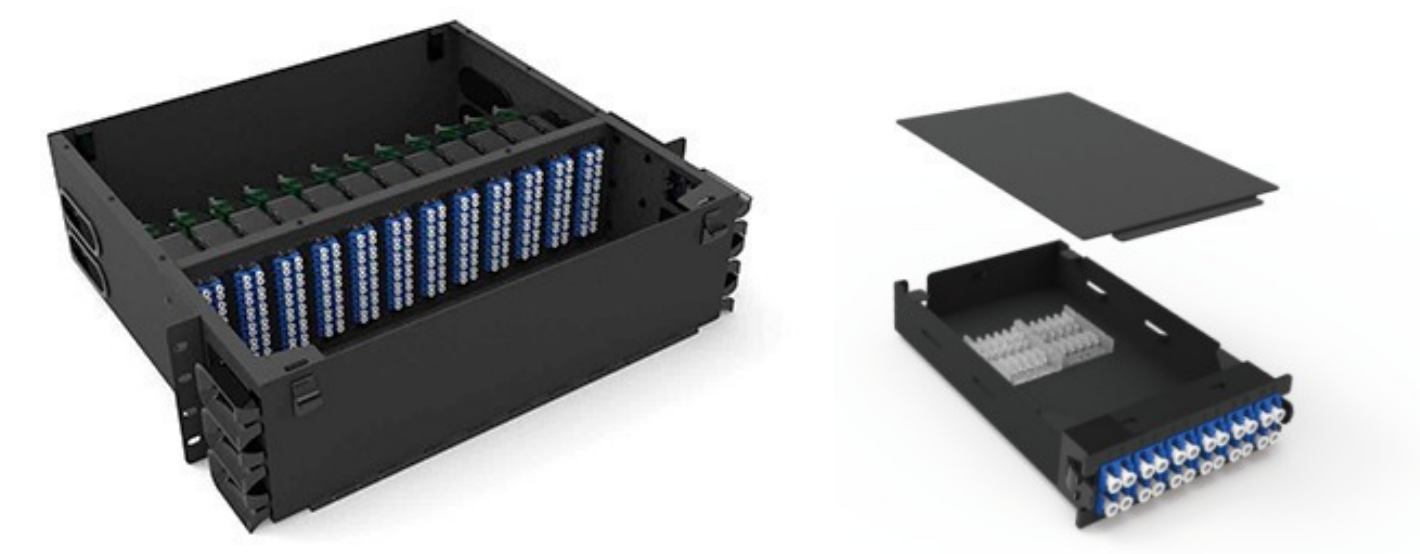

Application

- Applied in the computer center and computer room
- Suitable for high density data center
- Suitable for base station cabling construction.
- Applied for high density wiring occasions.

Packing information

Mode	Product Size(cm)	Max.Fiber	Inner CTN(cm)	Outer CTN(cm)	Color
UN-FM8G2	48.26*21.8*8.81	192	49.0*37.0*9.5	51.0*30.5*39.0	Black (RAL9005)

High Density 3U MPO/MTP Optical Patch Panel

Features

High density wiring application condition
Standard 19"
High-density, 3U 288 fibers
Dual sliding rails design, easily installed
Light weight ABS MPO module box
Sprayed surface treatment process
Customizable color and LOGO

Application

Applied in the computer center and computer room
Suitable for high density data center
Suitable for base station cabling construction.
Applied for high density wiring occasions.

Packing information

Model	Product Size(cm)	Max.Fiber	Color	Regular accessory
UF-FM288	48.26*42.6*13	288	Black(RAL9005) Beige(RAL1001)	2pcs Cable Saddle 6pcs 3.6*150 Cable Ties 6pcs Magic Stick Strip

High Density 3U LC Optical Patch Panel

Features

High density wiring application condition
Standard 19"
High-density, 3U 288 fibers
Dual sliding rails design, easily installed
Light weight ABS MPO module box
Sprayed surface treatment process
Customizable color and LOGO

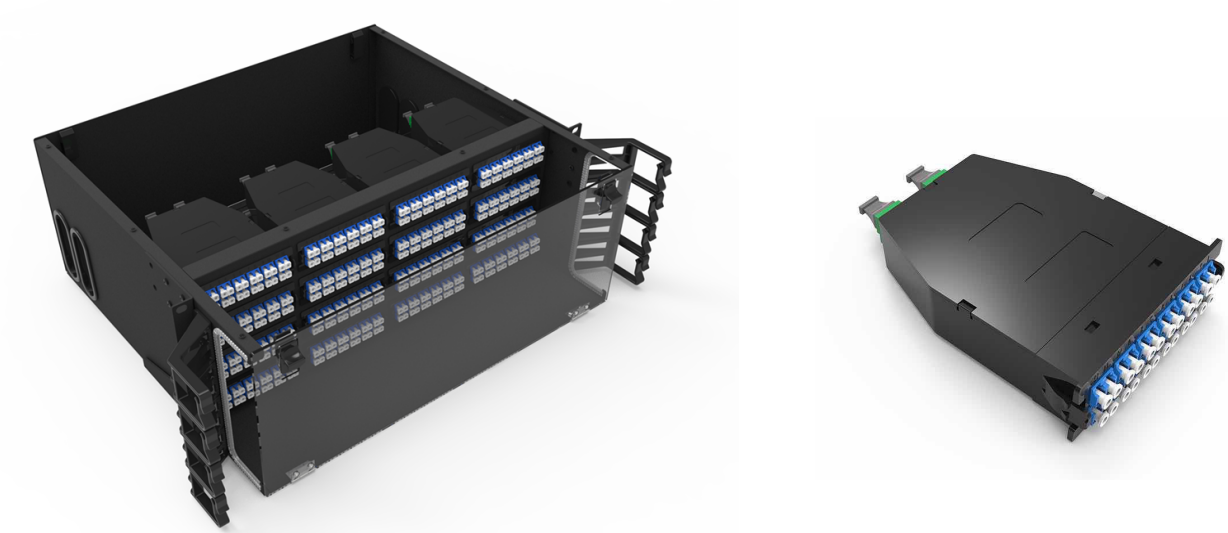

Application

Applied in the computer center and computer room
Suitable for high density data center
Suitable for base station cabling construction.
Applied for high density wiring occasions.

UF-FM288	48.26*42.6*13	288	Black(RAL9005) Beige(RAL1001)	2pcs Cable Saddle 6pcs 3.6*150 Cable Ties 6pcs Magic Stick Strip

High Density 4U MPO/MTP Optical Patch Panel

Features

- High density wiring application condition
- Standard 19"
- High-density, 4U 384 fibers
- Dual sliding rails design, easily installed
- Light weight ABS MPO module box
- Sprayed surface treatment process
- Customizable color and LOGO

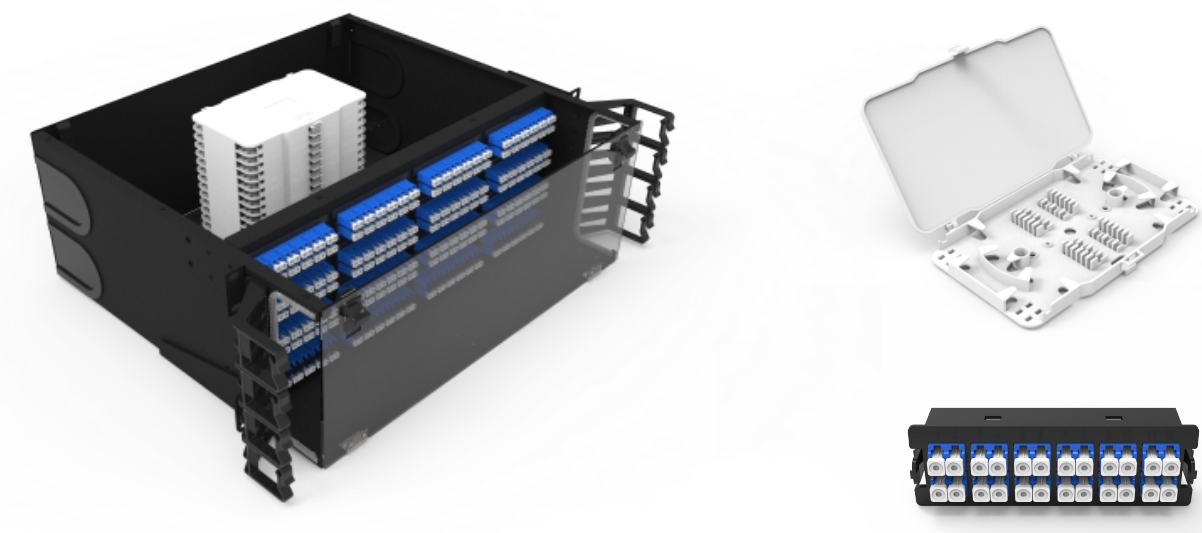

Application

- Applied in the computer center and computer room
- Suitable for high density date center
- Suitable for base station cabling construction.
- Applied for high density wiring occasions.

Packing information

Mode	Product Size(cm)	Max.Fiber	Color	Outer CTN(cm)
UN-FM16M4	48.26*43.4*17.7	384	Black(RAL9005)	56*49*24

High Density 4U LC Optical Patch Panel

Features

- High density wiring application condition
- Standard 19"
- High-density, 4U 384 fibers
- Dual sliding rails design, easily installed
- Light weight ABS MPO module box
- Sprayed surface treatment process
- Customizable color and LOGO

Application

- Applied in the computer center and computer room
- Suitable for high density date center
- Suitable for base station cabling construction.
- Applied for high density wiring occasions.
